EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the General Meeting to be held at Suite 8, 7 The Esplanade Mt Pleasant, Western Australia, at 9:00 am (WST) on Friday, 2 September 2016.

This purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. RESOLUTION 1 – RATIFICATION OF SHARE ISSUE

On 4 May 2016 the Company advised the market that it had agreed to acquire 100% interest in 5 Mining Leases near Cloncurry in the Mount Isa region.

ML's 2512, 2761, 2762, 7506 and 7507 (the "Millennium" leases) are situated on the northern projection of the Pilgrim Fault, approximately 50km north of the Company's Kalman deposit and 16km west of the Rocklands copper-cobalt mine. The acquisition secures a prospective high-grade cobalt-copper-gold target that complements Hammer's existing tenement portfolio in the region.

Previous drilling indicates the potential for significant copper-cobalt-gold mineralisation in the area of the historical workings including previous drill intersections of up to 19m at 1.27% Cu, 0.38% Co and 0.7g/t Au including 6m @3.45% Cu, 0.32% Co and 2.0g/t Au. (Refer to the CYU ASX release dated 4/12/2013 and the attached figures for details.)

Consideration at completion involved the payment of \$57950 in cash to Elementos Limited to secure the tenements and in addition the issuance of 500,000 ordinary shares to Chinalco Yunnan Copper Resources Ltd.

Listing Rules Chapter 7

Listing Rule 7.1 provides that without Shareholder approval, a company must not issue or agree to issue new equity securities constituting more than 15% of its total issued capital within a 12 month period (excluding any issue of equity securities approved by Shareholders and other various permitted exceptions which are not relevant for current purposes).

Listing Rule 7.4 allows an issue of securities made without the approval of shareholders to be ratified by shareholders, in order to refresh the Placement Capacity, provided that, at the time the issue was made, the issue was made within the Company's existing Placement Capacity.

By ratifying the issue of the Shares the subject of Resolution 1, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

Instructions for Completing 'Appointment of Proxy' Form

1. A member entitled to attend and vote at a Meeting is entitled to appoint not more than two proxies to attend and vote on their behalf. Where more than one proxy is appointed, such proxy must be allocated a proportion of the member's voting rights. If the shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half the votes.
2. A duly appointed proxy need not be a member of the Company. In the case of joint holders, all must sign.
3. Corporate shareholders should comply with the execution requirements set out on the Proxy Form or otherwise with the provisions of Section 127 of the Corporations Act. Section 127 of the Corporations Act provides that a company may execute a document without using its common seal if the document is signed by:
 - 2 directors of the company;
 - a director and a company secretary of the company; or
 - for a proprietary company that has a sole director who is also the sole company secretary – that director.

For the Company to rely on the assumptions set out in Section 129(5) and (6) of the Corporations Act, a document must appear to have been executed in accordance with Section 127(1) or (2). This effectively means that the status of the persons signing the document or witnessing the affixing of the seal must be set out and conform to the requirements of Section 127(1) or (2) as applicable. In particular, a person who witnesses the affixing of a common seal and who is the sole director and sole company secretary of the company must state that next to his or her signature.

4. Completion of a Proxy Form will not prevent individual shareholders from attending the Meeting in person if they wish. Where a shareholder completes and lodges a valid proxy form and attends the Meeting in person, then the proxy's authority to speak and vote for that shareholder is suspended while the shareholder is present at the Meeting.
5. Where a Proxy Form or form of appointment of corporate representative is lodged and is executed under power of attorney, the power of attorney must be lodged in like manner as this proxy.
